SEA AND SHORE

Yesterday's Doings on The Wharves.

The Hall From Kauai--Whaler Gay-
head Calls--Flogging in the
British Navy.

Honolulu received a hurried call from the whaler Gayhead yesterday. She came here to land mail, but when informed of the sickness ashore squared away and set sail for Kauai. The Mariposa was expected to show up during the day, but she was not reported. She left the Colonies on time and should be here today. Head winds have probably delayed her. The Emma Claudina left for Mahukona to load sugar for San Francisco, and the schooner Alice Kimball arrived from Hawaii and Maui early in the day, bringing mail which was taken to Quarantine Island for fumigation. The Kinau had not arrived at Makaweli when the Hall left Kauai, and so it is probable she did not leave San Francisco until the 22d. There were many visitors at the bark East African during the day, and in the evening work began pumping her out. The coal which has been discharged is being carried off to Iwilei to be dried.

Flogging in Navy.

Flogging is still practiced in the British navy, as the latest victim, Thomas McGeehan, can certify. He was a second-class fireman on her Majesty's ship Doris, lying at Simons Town, and was undergoing a sentence of imprisonment on the Penelope for striking a chief stoker. McGeehan, during of his confinement, shamed illness, and a medical survey was held, disclosing the fact that he had been malingering. On this a board of three officers sentenced the man to eighteen lashes, of which eleven were laid on according to the Queen's regulations, and the wretched man was carried bleeding and senseless to his cell. The British navy regulations prescribe punishment for all sorts of offenses; boys may be either birched or caned, and as summary punishment men may be flogged not to exceed forty-eight lashes. The offense of malingering, however, is punishable with imprisonment not to exceed forty-two days, and it would seem that the officers exceeded their authority. Flogging was abolished by law in the United States navy in 1850, and the last record of violation of this law was in 1876 in San Francisco harbor, when the captain of the Pensacola inflicted this unlawful but well-merited punishment upon a lot of hoodlums on board his ship. For this violation of law the captain was court-martialed and sentenced to two years' suspension.

Report of W. G. Hall.

The W. G. Hall arrived from Kauai yesterday morning. Her purser reports 132,900 bags of sugar on Kauai, as follows: K. S. M., 13,000; Diamond W., 600; V. K., 1,300; Mak., 30,000; McBryde, 2,000; K. P., 20,000; H. M., 20,000; L. P., 15,000; M. S. Co., 15,000; and K. S. Co., 16,000. The Ke Au Hou was at Makaweli loading the Charles Nelson. The Mikahala was loading at Ahukini. The Kauai arrived at Koloa at 5 p. m. Thursday. She attended immediately to the work of landing her Japanese laborers. Could not find out when the Charles Nelson will be ready to sail for San Francisco. Fair weather on Kauai.

NOTES.

The Stanford is fumigating in the stream.

The Seminole took the Jane L. Stanford's berth at the coal wharf yesterday.

The schooner G. W. Watson is on the marine railway to be scraped and painted.

Some evil inclined person broke several panes of glass in the front of the Sailors' Home night before last.

The Hall, from Kauai, brought 6,500 bags sugar for H. Hackfeld & Co. A well-boring outfit belonging to McCandless Brothers also came from the Garden Isle.

The Noeau, with a load of sugar, is expected from Kauai today. The Mauna Loa should be here today or tomorrow. She was delayed taking freight from the Planter, at Kailua.

Several of the new hands shipped on the Inverness-shire asked leave to come ashore and get some things before the vessel began fumigating. They were allowed to come, and after spending the best part of the night around town went to the quarantine district back of the coal-sheds and asked the guard for permission to enter. It was explained to them that if they went in they could not get out again, and they said that was just what they wanted. They were hunted up by Captain Peattie yesterday; and, on the case being explained to the health authorities, permission to take the men out was given, and they are now safe aboard their ship. The Inverness-shire will get away tonight or early tomorrow for Portland.

A Good Cough Medicine For Children.

"I have no hesitancy in recommending Chamberlain's Cough Remedy," says F. P. Moran, a well-known and popular baker, of Petersburg, Va. "We have given it to our children when troubled with bad coughs, also whooping cough, and it has always given perfect satisfaction. It was recommended to me by a druggist as the best cough medicine for children, as it contained no opium or other harmful drug." Sold by Benson, Smith & Co., Ltd., wholesale agents.

Premier Silveira's statement that the British Government, just before the American war, promised to let Spain have \$500 shells is vigorously denied at London.

DOANE'S BACKACHE KIDNEY PILLS

Which is Better:—To Try an Experiment, or
Profit By a Honolulu Citizen's
Experience?

Something new is an experiment.
Must be proven to be as represented.
Be successful at home or you doubt it.

The manufacturer's statement is not
convincing proof of merit.

But the endorsement of friends is.
Now, supposing you had a weak
back.

A lame, or aching one.
Would you experiment on it?

You will read of many so-called
cures.

But they come from far-away places.
It's different when the endorsement
comes from home.

Always remember.
Home endorsement is the proof that
backs every box of Doan's Backache
Kidney Pills.

Mr. H. S. Swinton, of this city, says:
"I was a long sufferer from backache,
having been afflicted with it for twelve
years. Taking this as a symptom of
kidney trouble, and seeing Doan's
Backache Kidney Pills advertised as
being good for complaints such as
mine, I procured some of them at the
Hollister Drug Co.'s store. I found up-
on taking them that they were doing
me good, and was thereby encouraged
to keep on until now I am cured of the
backache. The merits of Doan's Back-
ache Kidney Pills have been strikingly
shown in my case, and I recommend
them to other sufferers."

Doan's Backache Kidney Pills al-
ways have the picture of a leaf on the
wrapper. In asking for Doan's Back-
ache Kidney Pills ask for the kind
which cured Mr. Swinton, and see that
the leaf is on the wrapper.

Doan's Backache Kidney Pills are
sold by all chemists and storekeepers
at 50 cents per box, six boxes \$2.50, or
will be mailed on receipt of price by
the Hollister Drug Co., Honolulu,
wholesale agents for the Hawaiian
Islands.
